Curricular Practical Training Information & Authorization Form

CPT Information and Eligibility

What is CPT?

- Curricular Practical Training (CPT) is defined as training which is an integral part of an established curriculum, including: “alternate work/study, internship, cooperative education, or any other type of required internship or practicum which is offered by sponsoring employers through cooperative agreements with the school.” *Source: [8 CFR 214.2(f)(10)(i)]. CPT is available only prior to the completion of your degree program and you must have a job offer at the time of application. CPT employment may not delay completion of the academic program.

Am I eligible for CPT?

- Yes, if you have completed one academic year in F-1 status.
- If you have declared your major, then yes, you are eligible for CPT.
- If you are an F-1 status student who is an undergraduate or graduate, and not a student in an English language training program (ESL), then you are eligible for CPT.
- CPT is available to these students before they have completed their educational program.
- If your CPT is classified as an internship it must also meet ALL institutional requirements for internship eligibility, which may mean you will have to wait longer than 1 academic year.

How many hours can I work on CPT?

- You may work part-time during the fall and spring semesters, which is 20 hours or fewer per week.
- You may work full-time, which is more than 20 hours per week, only if doing so is required by your academic program or during the summer. Please consult our “CPT Policies and Procedures” packet for guidelines governing CPT.

Is CPT paid?

- CPT may be PAID or UNPAID

If I want to volunteer to do I have to apply for CPT?

- The rules governing volunteering are very strict. If you could potentially displace a paid employee, and if you plan to list your volunteering as professional experience or community service on a résumé, then you MUST apply for CPT.

What are the Course Requirements for CPT?

- You MUST take CPT for course credit and it must appear on your course schedule.
- Throughout your CPT, you MUST maintain a full course load in F-1 status.
- For undergraduates, a full course load constitutes 12 hours or more credit hours.
- For graduate students, a full course load constitutes 8 hours or more credit hours.
- The only exception to this is during the summer term (please consult with the Designated School Official concerning summer CPT).

Do I need a job offer to apply for CPT?

- You MUST have a job offer from a specific employer before CPT can be authorized.
- CPT may be only for the specific employer, location, and time period approved by the Office of International Affairs and recorded on page 3 of the SEVIS I-20.
- Changing employers during CPT without prior authorization by the Office of International Affairs is NOT ALLOWED.

How long does CPT last?

- Use of full-time CPT for one year or more eliminates your eligibility for Optical Practical Training (OPT) at the educational level
- Students are advised to limit full-time CPT to LESS than one calendar year (365 days).

Additional Information

Students interested in volunteering off campus must consult the P/DSO to determine whether or not the experience qualifies as CPT. Any off-campus work experience that is not properly documented as CPT may impact a student’s future prospects for employment benefits or Change of Status petitions.

In any and all instances of CPT, it is the academic curriculum and not the desire for employment that should determine the usefulness and purpose of CPT. USCIS expressly prohibits the authorization of CPT for the purpose of facilitating employment.

Eligibility for CPT will be determined by the P/DSO on a case-by-case basis at the time of application. The P/DSO reserves the right to make exceptions or changes to the above policy, given particular student circumstances and/or in accordance with amendments to federal law or its interpretation.

CPT Application

To apply for CPT, please complete the following steps:

1. Carefully read the Curricular Practical Training Information and Authorization Form (this sheet).
2. Meet with your Academic Advisor to determine if your off-campus training experience will be taken as an internship or as a non-internship class. All CPT at North Park University MUST be taken for credit; there are no exceptions.
3. Bring a completed Authorization form, and ALL other required documents, to the Office of International Affairs. A list of the required documents is included on the final page of the authorization form.

During your CPT meeting, an Office of International Affairs staff member will prepare a new Form I-20 to record CPT in your SEVIS record. CPT employment information can be found on page 3 of the I-20. CPT authorization is completed electronically in SEVIS, so no paperwork is mailed to USCIS.

Please note: You can only begin employment AFTER Curricular Practical Training has been authorized by the Office of International Affairs and recorded in SEVIS. It is your responsibility, as the visa holder, to maintain your F-1 status. Designated School Officials are obligated to report illegal employment.

The P/DSO is obligated to report illegal employment. If a P/DSO has constructive knowledge that a student is engaging in off-campus work that is not properly documented, the P/DSO will terminate the student’s SEVIS record for “Unauthorized Employment.”
