---

North Park University is a fully accredited four-year Christian liberal arts university with more than thirty liberal arts and pre-professional majors. More than one-third of entering students each year are transfer students, and we welcome your presence on campus. Listed below are **College of DuPage** courses which will satisfy North Park Core Curriculum requirements. Other courses may be accepted in transfer. Additional Core Curriculum requirements and designations will be completed at North Park University and can be found at <http://www.northpark.edu/About/University-Catalog>. Transfer credit from **College of DuPage** is limited to the total number of credits a full-time student may earn in the first two years in college (60 semester hours). Transfer courses can meet only ONE general education requirement. Additional information regarding our degree programs may be found at <http://www.northpark.edu/planningguides.aspx>.

This transfer guide is designed to be a resource to identify potential transfer credit and equivalents from completed course work at other academic institutions. This form is to be used as resource, but it does not guarantee transfer credit. All students wishing to receive transfer credit toward a degree from North Park University must have an official transfer credit evaluation performed by the university.
