North Park University is a fully accredited four-year Christian liberal arts university with forty liberal arts and pre-professional majors. More than one-quarter of entering students each year are transfer students, and we welcome your presence on campus. In addition, the School of Professional Studies offers an accelerated degree completion program with seven majors including Business Administration, Counseling Psychology and Criminal Justice for students who are not able to complete a traditional undergraduate program. Listed below are Harper College courses which will satisfy North Park Core Curriculum requirements. Other courses may be accepted in transfer. Additional Core Curriculum requirements and designations will be completed at North Park University and can be found at <http://www.northpark.edu/About/University-Catalog>. Transfer credit from Harper College is limited to the total number of credits a full-time student may earn in the first two years in college (60 semester hours). Transfer courses can meet only ONE general education requirement.
