

Inauguration Luncheon  
February 13, 2019

I am humbled and grateful.

And so proud of all that you do.

Thank you, Dean Fedec and the student leadership team that worked on this.

Thank you, Aramark for your beautiful work in providing this meal.

Most of all, to you, the students of North Park University, I promise to:

Support you in every way I can.

Listen to your needs and your interests.

And encourage you in all of your pursuits —

Academically, Spiritually, Emotionally, Professionally.

I will do all I can to help you succeed, to help make this university stronger every day, and to increase the value of the North Park degree you are working so hard to achieve.

Thank you for trusting me with leadership and for your prayers and support ... we are in this together! And I am so proud of all of you.
