

Register now to earn your Certified Nonprofit Professional credential!

Regardless of your major, you may earn the coveted CNP – a professional credential designed to prepare you for a fulfilling and well-paying career in management in the nonprofit sector.

Did you know that the nonprofit sector continues to outpace both government and for-profit sectors in employment and wage growth?

For those interested in a social-impact career, obtaining a CNP credential opens the doors to a wealth of vibrant career opportunities.

To obtain the credential, take the following five courses:

Nonprofit Financial Management
• Nonprofit Marketing Analysis & Consumer Behavior • Nonprofit Management: Theory and Application • Fundraising Principles for Nonprofit Organizations • Measuring Outcomes and Assessment

You'll also need to:

Attend an approved nonprofit-related conference • Hold a leadership position at a nonprofit organization.
