PART-TIME INSTRUCTOR OPENINGS

Listed below are current and possible future part-time instructor openings in various areas. Please contact the specific person listed if interested in exploring one of these opportunities:

College of Arts & Sciences

The Department of Chemistry and Biochemistry at North Park University seeks applications for multiple adjunct Chemistry Faculty for the Fall 2021 semester.

The successful adjunct candidate will be committed to teaching in a multicultural environment and welcome the opportunity to work with students with diverse learning abilities. We expect to have full in-person instruction for Fall semester and depending on the conditions with covid, be able to pivot to online instruction as needed. Adjunct Faculty instructors are responsible for course planning and instruction in classroom settings. In addition, adjunct faculty are responsible for student evaluations, and timely and accurate submission of required paperwork related to instruction.

Essential Qualifications:

- Minimum of a master’s degree in Chemistry or a closely related field, or a master’s degree plus 18 semester hours of graduate-level credit in Chemistry
- Prior experience teaching Chemistry courses at the college-level is desirable.

Desired Qualifications:

- Experience teaching organic chemistry (laboratory and lecture)
- Experience teaching remotely with technology in online or virtual teaching mode with access to personal technology, including a home computer

Application Instructions:
To apply, please send a cover letter, curriculum vitae, 3 letters of recommendation, and statement of teaching philosophy to:

Sunshine Silver
sssilver@northpark.edu

Electronic submissions preferred. Review of applications will begin immediately.
The Communication Arts Department at North Park University is seeking instructors to teach classes this fall in audio production, video production, journalism, public speaking, group communication, and communication theory. Minimally master’s degree (MA or MFA) and professional and/or teaching experience are required. Availability during day time class schedule is preferred.

Please send a cover letter, CV, and contact information to Daniel White Hodge, Professor of Communications.

The Biology Department is seeking a qualified adjunct instructor to teach its first-year level Introduction to Environmental Science course. The class consists of two lectures and one lab per week - to meet on Tuesday and Thursday mornings. The need is for the Fall 2021 academic semester, with possibility to renew contract for the Spring 2022 semester. Please send a cover letter, CV, and contact information to Yoojin Choi, Chair of Biology Department.

Zoology:
The Biology Department is seeking a qualified adjunct instructor to teach Introduction to Zoology in Fall 2021. The qualified candidate will have a graduate degree in Biology, Zoology, Biological Sciences with an emphasis on organisms, Animal Science, or a related discipline. ABDs are invited to apply.

The class consists of a combined lecture meeting of two lab sections; the lecture is scheduled for 11:40am-12:30pm Mon, Tue, Thu, and Fri, and the two labs each meeting once a week are scheduled for Tuesday and Thursday mornings, 8am-9:40am. (Duration: 8/30/2021-12/17/2021)
Please send a cover letter, CV, and contact information to Yoojin Choi, Chair of Biology Department.

Biodiversity:
The Biology Department is seeking a qualified adjunct instructor to teach “Biodiversity and Evolution” in Fall 2021. The qualified candidate will have a graduate degree in Biology or a related discipline. ABDs are invited to apply.

The class is scheduled for 12:40-2:20pm Tue and Thu, from 8/30/2021 to 12/17/2021.
Please send a cover letter, CV, and contact information to Yoojin Choi, Chair of Biology Department.

The Department of Mathematics seeks applications for multiple adjunct Mathematics Faculty for the Fall 2021 semester.

The successful adjunct candidate will be committed to teaching in a multicultural environment and welcome the opportunity to work with students with diverse learning abilities. We expect to have full in-person instruction for Fall semester and depending on the conditions with covid, be able to pivot to online instruction as needed. Adjunct Faculty instructors are responsible for course planning and instruction in classroom settings. In addition, adjunct faculty are responsible for student evaluations, and timely and accurate submission of required paperwork related to instruction.

Essential Qualifications:
Minimum of a master’s degree in Mathematics, Statistics, or a closely related field, or a master’s degree plus 18 semester hours of graduate-level credit in Mathematics or Statistics disciplines.

Prior experience teaching Mathematics and Statistics courses at the college-level is desirable.

Desired Qualifications:
- Experience teaching general education introductory statistics, and/or courses in the calculus series including vector calculus and differential equations
- Experience teaching remotely with technology in online or virtual teaching mode with access to personal technology, including a home computer

Application Instructions:
To apply, please send a cover letter, curriculum vitae, 3 letters of recommendation, and statement of teaching philosophy to:

Dr. Aaron Kaestner,
Chair
Department of Mathematics
North Park University
3225 W. Foster Ave.
Box 57
Chicago, IL 60625
amkaestner@northpark.edu

Electronic submissions preferred. Review of applications will begin immediately.

The Department of Psychology is in need of adjunct instructors to teach 1 section of Human Lifespan Development in the Fall term 2021.

This course is a face-to-face class held on our main campus (3225 W Foster Ave, Chicago, IL 60625). The course will run from 8/30/2021 to 12/17/2021.

We seek a professional with experience in teaching undergraduates in psychological science. Minimally, a master’s degree is required, a doctorate in the specific field of study is strongly preferred. Experience using Canvas (or comparable LMS) is strongly preferred. We welcome advanced graduate and post-doctoral students to apply. This position will be filled as soon as possible.

NPU is sponsored by the Evangelical Covenant Church and is located on the north side of the city of Chicago (Foster & Kedzie). NPU is an equal opportunity, affirmative action employer.

Interested candidates should submit requested materials to Dr. Elizabeth Gray, Psychology Department Chair, via email. Please attach a CV and letter of interest which details specific skills and qualifications related to the position.

The Department of Physics and Engineering seeks applications for multiple adjunct Engineering Faculty for the Fall 2021 semester.

The successful adjunct candidate will be committed to teaching in a multicultural environment and welcome the opportunity to work with students with diverse learning abilities. We expect to have
full in-person instruction for Fall semester with opportunities for flexible schedules including day and night classes and depending on the conditions with covid, be able to pivot to online instruction as needed. Adjunct Faculty instructors are responsible for course planning and instruction in classroom and laboratory settings. In addition, adjunct faculty are responsible for student evaluations, and timely and accurate submission of required paperwork related to instruction.
