

## Covid-19 Testing is Extended

Illinois Gov. J. B. Pritzker has extended through June 25 the state's [vaccination and testing requirement](#).

Accordingly, SHIELD testing will continue on campus in Hamming Hall, every Monday and Thursday from 10:00 am to 2:00 pm through June 23, 2022 – **except for Monday, June 20, when the campus will be closed for the Juneteenth holiday.**

This testing is required once per week for community members who are not fully vaccinated and who currently live on campus, or work or attend class on campus one day per week or more.

Thank you,

**The Pandemic Response Team**
