## Governor Extends Testing Requirement for Unvaccinated Community Members

Illinois Gov. J. B. Pritzker has extended the state's [vaccination and testing requirement](#) through July 24.

Accordingly, SHIELD testing will continue on campus in Hamming Hall, every Monday and Thursday from 10:00 am to 2:00 pm through Monday, July 25 **(except for Monday, July 4, when the campus will be closed)**.

This testing is required once per week for community members who are not fully vaccinated and who currently live on campus, or who work or attend class on campus one day per week or more.

Thank you,

**The Pandemic Response Team**
