

CENTERED IN THE STORM

A public theology series from North Park Theological Seminary

Our 2022–2023 public theology series will focus on being centered in Christ—not as an escape from the needs of the world, but as a necessary means to the transformative work of the church in the world.

Seminary faculty from each disciplinary field will facilitate dialogue in reflection on Jesus' invitation in Matthew 11:28–30:

Are you tired? Worn out? Burned out...? Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly. (*The Message*)

We invite you to join us as we seek Christ's unforced rhythms of grace. Zoom sessions are free and open to the public but require registration. Save these dates, and stay posted for registration details!
