Art Scholarship Requirements

Portfolio Review Requirements:

1. **10–15 original or digital images, sculptural objects, and/or video works** that represent your strongest creative work.
2. A **200–300 word artist statement** describing your conceptual and material interests and your artistic influences.

Electronic Portfolio Requirements:

The art department must receive electronic submissions by **March 1.** Materials should be uploaded to the art scholarship application.

1. **10–15 images** in jpg or pdf format, that represent your strongest creative work in any medium. You may represent yourself by work in more than one media.
2. A **200–300 word artist statement** describing your conceptual and material interests and your artistic influences.
3. An **image list** with work title, medium, dimensions, and date of production.

Art scholarship notifications will be communicated two weeks following each portfolio review date or electronic submission.
