Program Description

The Digital Marketing major curriculum prepares students for the expanding fields of digital marketing, analytics, and social media as used in business and inspires ongoing learning to stay current with emerging tools and provides learners with the tools, skills and competencies required to add value to their companies marketing communications and digital marketing strategies. Students experience hands-on application of digital strategies, online marketing, web analytics, and social media network marketing. They learn to think like a digital marketing professional with industry-relevant assignments which enhance technical, creative, and business skills.

The following are the North Park University core general education requirements and their College of Lake County equivalents. The IAI Common Core requirements for the Associate in Arts or the Associate in Science from College of Lake County will fulfill the majority of core curriculum requirements for general education at North Park University.

This transfer guide is designed to assist students with their academic planning. Every effort is made to maintain accurate information; however, this information is subject to frequent change. In some cases, only a sampling of courses has been included. Courses within each general education category designated "IAI" will transfer to North Park's School of Professional Studies. Students should contact their admissions advisor to keep informed of changes, as final responsibility for verifying information rests with the student.
