MUSIC DEPARTMENT**

North Park University has been an accredited instructional member of the National Association of Schools of Music since 1940. The program seeks to complement a broad liberal arts education and to provide the intensive professional training that aspiring musicians need. Our students benefit from a relevant curriculum, attentive faculty, and programs where academic and performance studies are integrated. Two undergraduate degrees in music are offered: Bachelor of Music Education and Bachelor of Arts in Music, with concentrations in Composition, General studies, Jazz Studies (instrumental), and a Master of Music in Performance with four tracks – Vocal Arts Solo, Vocal Arts Ensemble, Keyboard Arts Vocal Coaching, and Keyboard Arts Conducting. We are also pleased to offer a Certificate in Arts Management and a Certificate in Music for Social Change and Human Values, based on the El Sistema-inspired philosophy of music instruction developed by celebrated Venezuelan economist and musician Maestro José Antonio Abreu.
