- Your name:
 - Include any names you have identified as currently or in the past

 - If you will move in the next 4-5 months, it is recommended you include a friend or family member's address on your I-765. Put their name in the “in care of” field.
 - If you include a friend or family member's address, select “no” to the question is your current mailing address the same as your physical address?
 - Under “where in the United States do you currently live” enter your current address even if you will move during your OPT application process.
- Other information: F-1 students generally do not have an A-number or a USCIS online account number
- Fill-in all other requested information as applicable.

Section 3: "Evidence"

Section 4: “Additional Information”

- This section is to provide additional explanation or information for your responses in your I-765 or for your uploaded evidence. This section does not allow for uploads.
- In this section you can include additional information such as:
 - Previous SEVIS ID #s or previous academic studies (Section: About You; Page: Your immigration information; Question: What is your SEVIS number?)

- There, you will be able to pay the application fee using a US credit / debit card or through an ACH transfer (direct withdrawal) from your US checking account.

- **IMPORTANT: Once you submit your payment information and that payment is successfully received, USCIS considers your application OFFICIALLY SUBMITTED.**
 - You cannot change or edit your I-765 application responses after payment has been submitted.
 - The fee is non-refundable once payment has been made.
- Once your application is submitted, USCIS will assign a receipt number.
 - You can print out an electronic receipt from your myUSCIS portal.
 - A paper receipt (I-797) will be mailed to you within a few weeks.

Premium Processing (OPTIONAL)

Premium Processing

- Premium Processing requires a separate I-907 application form, by paper or online
- Additional \$1,500 fee
- Guarantees processing of an OPT application within 30 calendar days, which means they will issue an approval notice, a denial notice, a notice of intent to deny, or a request for evidence.

Should I apply for Premium Processing?

- Given current USCIS processing times (~3 months), it is usually not necessary.
- OIA encourages students to consider current processing times, when their OPT application was received by USCIS, their requested OPT start date, and potential travel plans before paying for premium processing.
- You can check current USCIS's OPT processing time by going to the USCIS [processing times website](#).

Waiting for Approval

***Check your
mail!***

You should receive three items in the mail in the weeks/months after applying for OPT:

1. I-797 Receipt Notice
2. I-797 Notice of Approval
3. EAD Card

Retain all notices for your records.

Check your case status

- You can log back into myUSCIS to check for any updates.
- Often, any RFEs (Requests for Evidence) will be emailed to you and/or posted here. These require your immediate attention.
- You can also check your case through this [USCIS website](#), using your receipt number.

What should I do if I get an RFE?

- If you do receive a “request for evidence” (RFE) via email or mail please notify OIA immediately.
- This means you are required to submit or resubmit (additional) information regarding your application.
- Failure to comply with an RFE may result in a denial of your OPT application.
- You will need to upload or mail in the additional evidence requested.

Travel During OPT

While OPT application is pending:

- Travel during this time frame is strongly discouraged.
- If OPT is approved while you are outside of the U.S., you will need to receive the EAD card via email to be re-admitted.

After OPT is approved:

- Students are generally permitted to travel after receiving OPT approval.
- Remember to carry valid travel documents:
 - Passport
 - Visa
 - EAD Card
 - I-20 with OPT request and travel signature (within 6 months)
- Do NOT travel if your visa is expired, unless you plan to renew it.

Reporting Employment

SEVP OPT PORTAL

- You will be emailed login information AFTER your OPT has been approved and the start date has been reached. Learn more and review the User Guide at <https://studyinthestates.dhs.gov/create-an-sevp-portal-account>

- You must report any changes to your contact or employment information (including breaks in employment) within 10 days.
